‘Quality’ (pub. 08.01.15-18:01). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from http://www.commens.org/dictionary/entry/quote-csps-lowell-lectures-1903-2nd-part-3rd-draught-lecture-iii-7.

Term: Quality

Quote: The mode of being of the quality is that of Firstness. That is to say, it is a possibility. It is related to the matter accidentally; and this relation does not change the quality at all, except that it imparts *existence*, that is to say, this very relation of inherence, to it.
