Title: The Metaphysics and Logic of Psychology: Peirce's Reading of James's Principles
Year: 2003
Journal: Transactions of the Charles S. Peirce Society
Volume: 39
Issue: 2
Pages: 163-203
Keywords: William James, Perception, Consciousness, Psychology, Space
Abstract: Deals with some fundamental agreements and disagreements between Charles S. Peirce and William James on issues such as perception and consciousness as implicated in Peirce's reading of James' "Principles." Details of Peirce's comments about James' psychology in an attempt to identify where and why Peirce amended James' views; Assessment of James' chapter on space, published as a series of articles in 1887, in "Mind"; Discussion on Peirce's manuscript "Questions on James' Principles."
