Title: On love, hate and knowledge

Year: 2009

Journal: International Journal of Psychoanalysis

Volume: 90

Issue: 4

Pages: 697-712

Abstract: In this short theoretical paper, I discuss Bion's three relations of love, hate, and knowledge, using Peirce's semiotic theory of relations and Bakhtin's semiotic/philosophical writings. Reading Bion through the prism of these resources allows us to better understand the meaning and ontogenesis of the basic relations and to examine their clinical explanatory value.
