Type: Article in Journal

Author: Pape, Helmut

Title: COMMENT

Year: 2015

Journal: Sign Systems Studies

Volume: 43 Issue: 4

Pages: 416-418

Abstract: The author discusses the paper featured by Francesco Bellucci which

emphasizes the immediate object concept of the philosopher Charles S. Peirce. Topics discussed include the signs interpretations, the relationship between the immediate object and the semiotic cognition, and the speculative grammar of

immediate and dynamic object of a sign.
