Title: Recent studies on signs: Commentary and perspectives
Year: 2015
Journal: Sign Systems Studies
Volume: 43
Issue: 4
Pages: 616-650
Abstract: In this commentary, I reply to the fourteen papers published in the Sign Systems Studies special issue on Peirce's Theory of Signs, with a view on connecting some of their central themes and theses and in putting some of the key points in those papers into a wider perspective of Peirce's logic and philosophy.
