Author: Rydenfelt, Henrik
Title: COMMENT Emotion and belief
Year: 2015
Journal: Sign Systems Studies
Volume: 43
Issue: 4
Pages: 496-500
Abstract: The author discusses the paper featured by Jean-Marie Chevalier concerning the role of emotional interpretants on the theory of belief and doubt designed by philosopher Charles S. Peirce. Topics discussed include the relationship between emotions and belief, the importance of emotional interpretants on interpreting signs, and the consciousness of belief.
