Title: COMMENT Emotion and belief

Year: 2015

Journal: Sign Systems Studies

Volume: 43 Issue: 4

Pages: 496-500

Abstract: The author discusses the paper featured by Jean-Marie Chevalier concerning

the role of emotional interpretants on the theory of belief and doubt designed by philosopher Charles S. Peirce. Topics discussed include the realatonship between emotions and belief, the importance of emotional interpretants on

interpreting signs, and the consciousness of belief.
