Type: Manuscript
Author: Peirce, Charles Sanders
Title: Essays
Manuscript Id: MS [R] 654
Year: 1910

Abstract / Robin Catalogue:

Description: A. MS., n.p., August 17-19, 1910, pp. 1-7, 2-3.

Note: This manuscript was meant to serve as a "Preface," with MS. 632 serving as the "Introduction." Comments on Arnauld's *L'art de penser* and on the Port Royal Logic. All reasoning consists in interpreting signs; all thought is in signs. System of existential graphs: the simplest system capable of expressing exactly every possible assertion. Definition of "sign."

Language: English
