'Induction' (pub. 03.02.13-18:50). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from http://www.commens.org/dictionary/entry/quote-carnegie-institution-correspondence-10.

Term: Induction

Quote: Induction is the highest and most typical form of reasoning. In my essay of

1883, I only recognized two closely allied logical forms of pure induction, one of which is undoubtedly the highest. I have since discovered eight other forms which include those almost exclusively used by reasoners who are not adepts

in logic.
