'Agapasm' (pub. 03.01.13-19:17). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from http://www.commens.org/dictionary/entry/quote-evolutionary-love.

Term: Agapasm

Quote: The agapastic development of thought should, if it exists, be distinguished by

its purposive character, this purpose being the development of an idea. We should have a direct agapic or sympathetic comprehension and recognition of it

by virtue of the continuity of thought.
