'Replica' (pub. 20.08.17-16:42). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from http://www.commens.org/dictionary/entry/quote-foundations-mathematics-r-0.

Term:	Replica
Quote:	A sign is not a real thing. The same sign may occur, or as we may say, can be *uttered*, over and over again. We may call these things embodying the same sign *replicas* of it. They need not be alike as things.
