'Belief' (pub. 07.03.16-11:06). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from http://www.commens.org/dictionary/entry/quote-fourth-curiosity-13.

Term: Quote:	Belief as a pragmaticist I hold a belief to be a determination of a person such that under certain conceivable experiential circumstances he would be led by it to act in a certain way, this determination being usually accompanied by a feeling or a particular quality called a <i>feeling of belief</i> , as well as by special feelings associated with the particular characters of the determination.
