

'Proposition' (pub. 07.03.16-12:34). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from <http://www.commens.org/dictionary/entry/quote-fourth-curiosity-14>.

Term: Proposition

Quote: A sign which though *calculated* to produce belief, that is, though it has the character of *possible* assertion, is nevertheless not necessarily so *intended*, nor necessarily *used* toward that end, and which may even carry a mark to show that it is actually not so intended, is a *proposition*.
