'Judgment' (pub. 19.01.15-12:28). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from http://www.commens.org/dictionary/entry/quote-harvard-lectures-pragmatism-lecture-i-8.

Term: Judgment

Quote: Do we not all perceive that *judgment* is something closely allied to assertion?

That is the view that ordinary speech entertains. A man or woman will be heard to use the phrase, "I says to myself." That is, judgment is held to be either no

more than an assertion to oneself or at any rate something very like that.
