

'Synechism' (pub. 09.03.13-10:31). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from <http://www.commens.org/dictionary/entry/quote-immortality-light-synechism-0>.

---

**Term:** Synechism

**Quote:** The word *synechism* is the English form of the Greek {synechismos}, from {synechés}, continuous. For two centuries we have been affixing *-ist* and *-ism* to words, in order to note sects which exalt the importance of those elements which the stem-words signify. Thus, *materialism* is the doctrine that matter is everything, *idealism* the doctrine that ideas are everything, *dualism* the philosophy which splits everything in two. In like manner, I have proposed to make *synechism* mean the tendency to regard everything as continuous.

[—] I carry the doctrine so far as to maintain that continuity governs the whole domain of experience in every element of it.
