Term: Immediate Interpretant

Quote: ... it is necessary to distinguish the **Immediate Object**, or the Object as the Sign represents it, from the **Dynamical Object**, or really efficient but not immediately present Object. It is likewise requisite to distinguish the **Immediate Interpretant**, i.e. the Interpretant represented or signified in the Sign, from the **Dynamic Interpretant**, or effect actually produced on the mind by the Sign; and both of these from the **Normal Interpretant**, or effect that would be produced on the mind by the Sign after sufficient development of thought.
