**Term:** Actisign

**Quote:** ...Signs, in respect to their Modes of possible Presentation, are divisible [...] into [—]

B. *Actisigns*, or Objects which are Signs as Experienced *hic et nunc*; such as any single word in a single place in a single sentence of a single paragraph of a single page of a single copy of a book. There may be repetition of the whole paragraph, this word included, in another place. But that other occurrence is not *this* word. The book may be printed in an edition of ten thousand; but *this* word is only in my copy.
