Term: Actisign

Quote: ...Signs, in respect to their Modes of possible Presentation, are divisible [...] into

B. Actisigns, or Objects which are Signs as Experienced hic et nunc; such as any
single word in a single place in a single sentence of a single paragraph of a
single page of a single copy of a book. There may be repetition of the whole
paragraph, this word included, in another place. But that other occurrence is
not this word. The book may be printed in an edition of ten thousand; but this
word is only in my copy.
