Term: Actisign

Quote: ...Signs, in respect to their Modes of possible Presentation, are divisible [...] into
[—]
B. Actisigns, or Objects which are Signs as Experienced *hic et nunc*; such as any
single word in a single place in a single sentence of a single paragraph of a
single page of a single copy of a book. There may be repetition of the whole
paragraph, this word included, in another place. But that other occurrence is
not *this* word. The book may be printed in an edition of ten thousand; but *this*
word is only in my copy.
