'Corollarial Consequence' (pub. 25.09.14-12:57). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from http://www.commens.org/dictionary/entry/quote-lowell-lectures-lecture-2-vol-2.

Term: Quote:	Corollarial Consequence I draw a distinction between <i>Corollarial</i> consequences and <i>Theorematic</i> consequences. A corollarial consequence is one the truth of which will become evident simply upon attentive observation of a diagram constructed so as to represent the conditions stated in the conclusion.
