'Scientific Retroduction' (pub. 07.04.15-13:04). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from http://www.commens.org/dictionary/entry/quote-meaning-preface-5.

**Term:** Scientific Retroduction

Quote: If [...] indefinite time can be allowed for judging of the truth of an explanatory

hypothesis, the most favorable conclusion is that the consequences of [those] hypotheses that are susceptible of verification should be subjected to systematic and thorough tests. This, which may be called Scientific

Retroduction, will be subject to considerations of economy.
