

'Name [in Semeiotic]' (pub. 15.10.12-17:41). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from <http://www.commens.org/dictionary/entry/quote-one-two-three-fundamental-categories-thought-and-nature-0>.

---

**Term:** Name [in Semeiotic]

**Quote:** There may be a mere relation of reason between the sign and the thing signified; in that case the sign is an *icon*. Or there may be a direct physical connection; in that case, the sign is an *index*. Or there may be a relation which consists in the fact that the mind associates the sign with its object; in that case the sign is a *name*.
