'Presumption [as a form of reasoning]' (pub. 02.01.13-16:22). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from http://www.commens.org/dictionary/entry/quote-presumption.

Term: Presumption [as a form of reasoning]

Quote: Presumption. In logic: a more or less reasonable hypothesis, supported, it

may be, by circumstances amounting all but to proof, or, it may be, all

but baseless.

Logical or philosophical presumption is non-deductive probable inference which involves a hypothesis. It might very advantageously replace hypothesis in the sense of something supposed to be true because of certain facts which it would

account for.
