Term: Sheet of Assertion

Quote: The matter which the Graph-instances are to determine, and which thereby becomes the *Quasi-mind* in which the Graphist and Interpreter are at one, being a Seme of *The Truth*, that is, of the widest Universe of Reality, and at the same time, a Pheme of all that is tacitly taken for granted between the Graphist and Interpreter, from the outset of their discussion, shall be a sheet, called the *Phemic Sheet*, upon which signs can be scribed and from which any that are already scribed in any manner (even though they be incised) can be erased.
