'Doubt' (pub. 19.10.15-18:19). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from http://www.commens.org/dictionary/entry/quote-reasoning-r-0.

Term: Doubt

Quote: ...a doubt is a real state of dissatisfaction; and the common practice of making

believe to doubt, and then offering considerations to appease that makebelieve doubt, is a foolish waste of time, since the man who does not doubt can realize the state of mind of the man who does [...] only to a very limited extent, and he thus quite fails in all difficult cases to appease any real doubt that may

exist, or appeases it guite otherwise than by his attempted reasonings.
