Term: Sinsign
Quote: A *Sinsign* (where the syllable *sin* is taken as meaning “being only once,” as in *single*, *simple*, Latin *semel*, etc.) is an actual existent thing or event which is a sign. It can only be so through its qualities; so that it involves a qualisign, or rather, several qualisigns. But these qualisigns are of a peculiar kind and only form a sign through being actually embodied.
