

'Copy [in Semeiotic]' (pub. 05.05.13-18:27). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from <http://www.commens.org/dictionary/entry/quote-treatise-metaphysics-w>.

Term: Copy [in Semeiotic]

Quote: The simplest kind of agreement of truth is a resemblance between the representation and its object. I call this *verisimilitude*, and the representation a *copy*.

Resemblance consists in a likeness, which is a sameness of predicates. Carried to the highest point, it would destroy itself by becoming identity. All real resemblance, therefore, has a limit.
