**Title:** Social Semiotics

**Category:** Journal

**URL:** <http://www.tandfonline.com/toc/csos20/current>

**Description:** Social Semiotics deals with the study of communicational resources and practices through words, images, behaviours, settings, sounds, design, etc, and the way these are connected to the organization of societies and everyday lives. The journal welcomes papers especially that analyse the everyday and the sociopolitical significance of representations.
