**Category:** Academic Meeting

**Title:** 14th World Congress of Semiotics

**Description:** 14th World Congress of Semiotics of the International Association for Semiotics Studies / Association Internationale de Sémiotique (IASS/AIS) organized by the Asociación Argentina de Semiótica – AAS and the Universidad Nacional de las Artes – UNA, Buenos Aires

### **Announcement**

This is the announcement for the 14th World Congress of Semiotics of the International Association for Semiotic Studies – IASS/AIS, to be held on September 9-13, in Buenos Aires, Argentina. The congress will take place on the premises of the National University of Arts (UNA).

### **Theme and axes**

This time, the word “trajectories” has been chosen for the theme of the Congress, taking into account the remarkable wealth of meanings arising from its contemporary uses, applicable from different perspectives to the description of the continuities and changes that compose the discipline. We consider that the best example can be found in the trajectory of definitions of the very notion of semiotics.
