**Title:** French Pragmatist Association Founded

**Description:** A new pragmatist association, called *Pragmata*, has been founded. Its aim is to gather all French scholars (and in the future all French-speaking scholars) with an interest in pragmatism. Pragmata will organize and sponsor pragmatism-related events in France and will gather and disseminate information on all events relating to pragmatism in France. Pragmata will organize the next European Pragmatism Conference in Paris.
